

PDX Coat # 0216

All sizes included in this pattern

A great single-layer cozy-weather wrapper, the PDX Coat is designed to take beautiful advantage of Pendleton Mill's wide and wonderful blanket fabrics, which eliminate the need for any seam or hem finishing. It's also great with any woolen or lighter fabric with serged or folded and topstitched edges.

Simple to make, with clear step-by-step instructions for basic construction using a regular sewing machine.
